LAST WEEK OF CAMP!

It's hard to believe this is our last week of camp! We have had such a great summer learning about ways to live healthy and having lots of fun! This week campers will be able to choose several of their favorite activities from earlier in the summer. It has been wonderful working with your children these last few months! See you next summer!

IMPORTANT PARENT SURVEY

Please consider taking a couple minutes to complete our brief parent survey at the table in the lobby this week. An online version is also available at <http://www.surveymonkey.com/s/parksreparent>. Your feedback is important to us as we gauge the effectiveness of Irving Day Camp and make plans for the future. Survey results are also used by city officials to help make important program funding decisions.
